

MUST HAVES for all students:

1. Kindness
2. Pencils
3. Notebook Paper
4. 4 Composition Books

Please note: Unlike most elementary classrooms, where the teacher collects the school supplies for use by all students, middle school students keep their own supplies. Day-to-day supplies should be with them as they travel class-to-class and extra supplies should be kept in their lockers and at home.

FAQ

My friend said he got in trouble and failed because he didn't have a cell phone and couldn't do an assignment? Not true.

My friend said everyone in middle school has a phone.

Not true. Believe it or not, most students do not have phones.

Am I allowed to bring a phone to school?

Yes, but you need to be familiar with the rights and responsibilities regarding cell phone use. We want families to know a phone is not necessary, despite what students may have heard.

Passage Families,

We've tried to be mindful in creating our supply list. The top four items are "must haves." The others are extra items that students and teachers find can support learning, but they are not necessary for your child's success. If you are able to purchase additional items, such as pencils, notebook paper, or index cards, please consider doing so and donating them to our main office. We appreciate your support and are looking forward to a successful 2019-2020 school year!

***This is the only list you will receive. Teachers will not require anything that is not on this list.**
