

Bus & Bus Stop Policies

PATH on the Bus

Divide students into four groups

Each group gets PATH

Prepare Daily

Act Appropriately

Take Responsibility

Have Respect

What does your letter “look like” on the bus?

Example: What does it mean to be Prepared on the bus?, etc.

- Your group has one minute to brainstorm examples for your letter.
- One person from each group will share the best two examples from their brainstorm.

State Law

- The state law authorizes the proper discipline of students going to and returning from school.
- Any discipline violations that occur from the time you leave your home in the AM to the time you return home are considered to have happened on school board property and the school may discipline.

Carry-On Items

- Back Packs, etc. may not take the seat required for another person. (school projects, instruments exempted)

Ride Your Bus

- You are permitted to ride your bus and only your bus.
- You may only board and exit the bus at your assigned stop.
- If your parent gives you a note to ride a different bus you must bring it to the office **in the morning** to receive a special bus pass. Do NOT try to board the bus without the proper office pass. You will not be allowed to do this.

Review page 6 in your R&R book for additional rules regarding bus safety.

Bus Stop:

Arrive 10 minutes early. It's not the bus driver's responsibility to wait for you.

What would you do?

The bus driver tells you to move to another seat. You've sat in this seat since the first day of school. You...

- a. Follow her directions and move to another seat.
- b. Follow her directions and move to another seat and argue with her that it's not fair that you have to move.
- c. Refuse to move. This is your seat.

Morning Arrival

- Buses dismiss at 7AM
- Enter thru the designated bus doors
- Report directly to your grade level hall
- Go to your locker
- Get your breakfast
- Go to your homeroom
- If you need to go to the office or another location you need a pass

Morning Arrival

- Orchestra/Band students with instruments may first go to the orchestra/band rooms and put away their instruments. They should do so quickly and proceed to homeroom.
- Once we begin after school activities you will need to listen to announcements for where to sign up for activities.

Afternoon Dismissal

- Afternoon announcements begin at 2:05
- Parent pick-up and instrument pick-up will be called first. The only students picking up instruments are 6th graders and those 7th/8th graders with huge instruments.
- If you are a bus rider do not leave your room until your grade level has been called.

What would you do?

At the bus stop some friends decide it would be fun to throw trash in someone's yard. You...

- a. Say, "No thanks. I'm not going to get in trouble for that."
- b. Throw trash in the yard.

After school two girls get off the bus and get into a fight. Another student records the fight and puts it on youtube.

Did you know...

All students will be disciplined. Here's why –

- a. Fighting is against school policies. Until you arrive home (entering your front door) you are considered on school property.
- b. Recording the fight and posting it to youtube – or sending it in any other matter – can be considered a disruption to the learning environment. Recording an incident can also be viewed as encouraging or instigating an incident such as a fight. Don't do it.

Bus

Riding the bus is a privilege.

Your safety and the safety of others
depends on YOU!

Inappropriate behavior on the bus will
result in disciplinary action.
